## ACCOMMODATION

Hiroshima University of Economics offers our exchange students studio type of student housing. As renting a room/apartment in Japan is quite complicated, and they do not normally provide short-term (5-6 months) lease, you will need to stay in the accommodation we offer. Students are responsible for monthly rent and utility expenses (gas, water and electricity) during their stay unless otherwise stated. Detailed accommodation information and request form will be mailed to the students who are admitted to the program.

## SCHOLARSHIP

A limited number of scholarships are available from HUE to exchange students.

**HUE Scholarship – 45,000 yen monthly (September to January, but for September it is 21,500 (a half amount))**

A separate application form and certificate of enrollment (signed by international coordinator) are needed if you are applying for scholarship. Please note that you have to have a minimum GPA (2.30 on a 3.00 scale) to apply for scholarship. We will notify international student coordinator/advisor once we made the decision on the scholarship grantees.

## Participation Fee: JPY 200,000

OSA Participant has to complete the payment before coming. This amount will be applied to their rent, utilities (water/gas/electricity/internet) and program operation.
